WORSHIP DIRECTOR

ABOUT LIFECITY CHURCH:

LifeCity Church officially launched September 7, 2014 in Santa Clara, CA. Our church began when Pastor John Markum, and a launch team of 6 adults relocated to the South Bay area of San Jose, CA the summer of 2013. We began by meeting in Pastor John's home, but outgrew it by February 2014. Since then, we've moved to an elementary school, and now meet Sundays at Santa Clara High, with an average attendance of 80-100 (High of 180, Easter 2018). To date, we have seen well over 100 people come to faith in Christ, and 26 get baptized in under 4 years.

We are committed to leading the people of the South Bay area to fully experience life in Christ. We are unapologetically "attractional" in our model of ministry – leveraging a growing crowd to create a platform for sharing the Gospel. We focus our teaching on practical discipleship and providing simple, obvious next steps. In short, evangelism drives discipleship, not the other way around. Contact us for specific questions. Please refer to our website (www.LifeCitynow.org) for more clarity.

JOB DESCRIPTION:

The Worship Director is responsible for organizing, overseeing, practicing, and/or leading all elements of worship as it pertains to the Sunday morning worship gatherings of LifeCity Church, specifically regarding music and congregational participation. Worship Director will have other responsibilities fitting their skills, potentially including communications, occasional preaching, small group discipleship, assist in maintaining our online presence, content creation, or other.
